

# **Nevada FBLA Active Chapter Standards 2008-09**

School District Administrations will be advised as to the status of all FBLA at all schools in their districts.

In Nevada, we have three types of chapters:

- In-active: Have not achieved "Chapter in Good Standing" or "Active" status
- Chapter in Good Standing: Have paid dues, but have not met all of the requirements to be recognized as an "active chapter"
- Active: Are recognized as active because they have met all of the requirements to be "active"

## **To be recognized as an Active Chapter, all of the following requirements must be met:**

- Current Chapter By-laws have been submitted to [activechapter@nevadafbla.org](mailto:activechapter@nevadafbla.org) by the October 20 deadline
- Elect Chapter Officers and submit the officer roster to [activechapter@nevadafbla.org](mailto:activechapter@nevadafbla.org) by the October 20 deadline
- Register and pay dues for at least ten (10) members by the October 20 deadline using the National Online Membership System
- Attend at least one conference sponsored by Nevada FBLA-PBL throughout the year
- At least five (5) members must achieve the Future Award Level in the Business Achievement Awards by January 31. Email results to [activechapter@nevadafbla.org](mailto:activechapter@nevadafbla.org)
- Plan and implement a minimum of eight (8) chapter events, meetings, activities, fundraisers, or any combination of the items on this list. This is an average of one activity or meeting per month. Report monthly activities to [activechapter@nevadafbla.org](mailto:activechapter@nevadafbla.org)
